

Masters Series Max Gaming Chair

Long description

AKRacing Max is the tank chair of the Masters Series and the newest addition to the product line. Crafted for big & tall, this chair combines AKRacing best-selling looks with XL parts. It features a wider frame, an upgraded mechanism with a maxed out weight capacity of up to 400 lbs and Rock It and Lock It mechanism letting you lock the chair in any desired tilt position. Just like all other AKRacing chairs, Max boasts top-quality pleather upholstery, all-metal frame, 55 kg/m³ cold-cure foam padding and adjustable headrest and lumbar support pillows for comfortable seating. All of that functionality sits atop a five-star aluminum base, steel frame, and large 2.5-inch casters.

Short description
